Personal information will be collected from you for the purposes of managing parks pass applications and will be used by the Parks and Wildlife Service (PWS) for managing, assessing, advising upon and determining applications and may be used for other purposes supported by the *National Parks and Reserves Management Act 2002*. Failure to provide this information may result in your application not being able to be processed or the service not being able to be provided. Your personal information will be used for the primary purpose for which it is collected. Your basic personal information may be disclosed to other public sector bodies where necessary for the efficient storage and use of the information. Personal information will be managed in accordance with the *Personal Information Protection Act 2004* and may be accessed by the individual to whom it relates on request to the PWS. You may be charged a fee for this service.
