NOTES:

This plan and associated digital model is prepared for DarkLab Pty Ltd from existing records for the purpose of designing new constructions on the land and should not be used for any other purpose.

The title boundaries as shown on this plan have not been marked and have been determined by plan dimensions only and not by field survey. No measurements or offsets are to be derived between the features on this plan and the boundary layer. The relationship between the features in this model and the boundary layers cannot be used for any set out purposes or to confirm the position of the title boundaries on site.

This note forms an integral part of the Plan/Data. Any reproduction of this plan/model without this note attached will render the information shown invalid.
