

Cockle Creek Precinct Camping, Dog and Campfire Management Areas

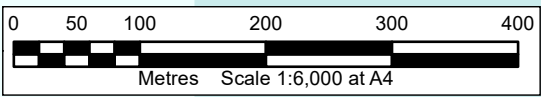

Note: Gilliams Beach and Finns Beach Campgrounds:
The **Camping Areas** are the identified cleared areas between: the near edge of Cockle Creek Road and the tree line (fenced or otherwise).

Note: Fire Pot definition:
"A free standing portable container with both closed sides and base, or is totally enclosed with the objective of containing a fire. The fire pot is for the use of combustible materials such as wood, wood products and coal."

Note: Gilliams, Jones and Finns Beaches Dogs Off Lead Area refers to beach areas delineated by the near edge of Cockle Creek Road and the border of sandy areas with vegetation and rocks at: the northern end of Gilliams Beach, the southern end of Finns Beach, including Jones Beach and the rocky/vegetated areas in between.

Note: Catamaran Campground:
The **Camping Area** is the identified cleared area between: the near edge of the boat ramp road and the tree line to the north/west (fenced or otherwise).

Note: Catamaran Campground Dogs on Lead Only Area includes the road, jetty and boat parking areas, bounded by the tree line to the south/east (fenced or otherwise).
