

Tasmania's National Parks Passes

Including Arthur-Pieman Conservation Area recreational driver passes) (Online) Terms and Conditions

The Crown in Right of Tasmania as represented by the Tasmania Parks and Wildlife Service ("PWS") operates this website and by accessing and using this website, You agree You have read and irrevocably agree to be bound by these terms and conditions.

1. Interpretation

For the purposes of these terms and conditions, the following definitions apply unless the context otherwise requires:

Arthur-Pieman Conservation Area means all that area of Crown land proclaimed to form the Arthur-Pieman Conservation area by way of a Proclamation under the Nature Conservation Act 2002 (as may be amended from time to time).

Claim means any allegation, debt, cause of action, liability, claim, proceeding, suit or demand of any nature however arising and whether present or future, fixed or unascertained, actual or contingent, and whether at law, in equity, under statute or otherwise.

Fee has the meaning given to it in clause 2.

GST means any goods and services tax or similar tax imposed by the Commonwealth of Australia (but excluding any penalty, fine, interest or similar payment).

Park means any Tasmanian National Park as proclaimed from time to time (being those parcels of Crown land that have been declared to be reserved land in the class of national park for the purposes of the *Nature Conservation Act 2002*) and where the context permits or requires, means the Arthur-Pieman Conservation Area.

Pass or Passes means any one or more (as the context requires) of the National Park entry passes described in clause 5 that provides for entry into a Park or the Arthur-River Conservation Area.

PWS means the Crown in Right of Tasmania as represented by the Tasmania Parks and Wildlife Service and where the context requires or permits includes its employees, agents, contractors and subcontractors.

You means you as the person using this website and/or making an application to purchase a Pass (and where the context permits includes any other person on whose behalf You purchase a Pass or who enters a Park with You under the terms of Your Pass in accordance with these terms and conditions) and Your has a corresponding meaning.

For the avoidance of doubt when interpreting these terms and conditions the singular includes the plural and conversely, headings are for convenience and have no effect, a term of inclusion must not be interpreted to be a term of limitation and reference to this website includes as the context requires all linked websites operated by PWS.
