What Have we done to Our Cave? Worksheet - Human Impact

Name _____ School _____

Date _____

Since this cave was opened up by loggers in 1917, many thousands of people have visited the Newdegate Cave, leaving their traces in the cave environment. Today, your mission is to see if you can identify all the different ways we have altered the cave environment. Some changes are tiny; some are very obvious – keep your eyes open as you go through the cave and see how many you can spot!
